**THANK YOU** for buying a McLaughlin Optimist Dinghy. We know that it will more than exceed your expectations. McLaughlin stands behind its products 100%.

The information requested below will register the boat\* in your name with the United States Optimist Dinghy Association (USODA). If you are a new member the class Executive Director will send you an initial user name and password. Use these to log into the web site [www.USODA.org](http://www.USODA.org) for valuable information. First time members to USODA will also receive a free one year membership and copies of OptiNews.

If you already are a member of USODA your membership will be extended for one year at no cost.

Return this Form to McLaughlin by fax, mail or e-mail ([registration@optistuff.com](mailto:registration@optistuff.com)) to complete your purchase. Note: New boat registration must come from the builder and cannot be done by the dealer or customer.
